| Manufacturer Name        | Noxion LED Bulkhead Pro V2 12/16/20W 3CCT Black Ø325mm (2x36W eqv.) with MW Sensor |
| Any Lamp all-in warranty | 6 Years                                                                            |
| Average Lifetime (h)     | 100000                                                                             |

## Technical Information

|                             |                                                 |
|-----------------------------|-------------------------------------------------|
| Technology                  | LED Integrated                                  |
| Replaces (Watt)             | 2x36                                            |
| Wattage                     | 20W                                             |
| Voltage (V)                 | 220-240                                         |
| Dimmable                    | Not Dimmable                                    |
| Colour Code                 | 830 Warm White, 840 Cool White, 865 Daylight    |
| Colour temperature (Kelvin) | 3000 Warm White, 4000 Cool White, 6500 Daylight |
| Colour Rendering (Ra)       | 80-89                                           |
| Colour of Light             | White                                           |
| Light colour options        | CCT                                             |
| Luminous Flux (Lumen)       | 2400lm                                          |

|                          |                    |
|--------------------------|--------------------|
| Luminous Efficacy (lm/W) | 120                |
| Optical Cover            | PC (Polycarbonate) |
| Power factor             | >0.50              |
| Product Type Category    | LED Bulkhead       |

## Fixture Information

|                        |                        |
|------------------------|------------------------|
| Mounting Method        | Surface, Ceiling       |
| Fixture Connection     | PI [Push-in connector] |
| IP-rating              | IP65                   |
| Impact Protection (IK) | IK10 - 20 joules       |
| Colour of the Fixture  | White                  |
| Housing                | PC (Polycarbonate)     |
| Series                 | Bulkhead Pro           |

## Dimensions

|               |     |
|---------------|-----|
| Diameter (mm) | 325 |
| Height (mm)   | 80  |

## Sensor Information

|                |           |
|----------------|-----------|
| Type of sensor | No Sensor |
|----------------|-----------|

## Why Any-lamp?

Order from the **largest lighting specialist** in Europe

**Customised** quotation

Up to **7 years warranty**

**Easy** return process
